B Marbig Correction Tape White

Tape applies flat and dry for instant corrections- no mess. Multi-purpose usage - typing, laser copies, faxes or hand written mistakes; corrects inks and pencil. The Sidewinder is ergonomically designed and fits snugly in the hand for easy application and is 5mm wide and 8m long. The Precise Tape is narrower than standard tape so is useful when precise, detailed corrections need to be made; such as on typewritten sheets. Precise Tape is 4mm wide x 8m long. Cover available in 3 translucent colours - blue, pink and lime green - tape is white. The Mini Correction Tape is a compact size for pencil cases, brief cases, handbags etc.

975737 Each Sidewinder® 5mm x 8m 12 to a Pack
 975191 Each Precise 4mm x 8m 12 to a Pack
 975194 Each Mini 4.2mm x 5m 12 to a Pack

C Marbig Wide Correction Tape

Extra wide tape of 8.4mm to cover large handwriting. Tape applies flat, dry and smooth for instant correction. Excellent coverage with smooth application and adhesion. Sliding cap designed to prevent dust and particles from coming in contact with tape.

Suitable for left or right handed users. Tape length: 8.4mm wide x 8.5m long.

975181 Each White 12 to a Pack

D Marbig Mighty Minis Correction Tape

Miniature design with great handling and tape length. Superb portability ideal for travellers and students. Ideal also for those with smaller hands/fingers. Removable cover designed to prevent dirt from touching tape surface.

Each pack contains 2 x Mighty Mini's. Available in vibrant pink and purple.

Tape dimensions: 5mm x 8m

975183 Each White 12 to a Pack
