marbig

When you're finding it hard to locate dividers to suit your needs, chances are you will find what you're looking for in the Marbig range. The grouping of dividers by usage makes it easier to select the most appropriate for your requirements. Better selection of dividers for your requirements improves the appearance and performance of your end result.

STORAGE
Storage dividers are the simple, affordable choice for single use filing applications. Available in a variety of colours and sizes, customising files is quick and simple.

FREQUENT USE
Ideally used for frequently accessed documents, the Marbig range offers a long lasting and durable alternative. These dividers not only maintain the appearance of your documents, but are also waterproof and resistant to tearing and breakage.

PRESENTATION
When you need a superior, professional finish, Presentation Dividers are the answer. The Marbig range of Presentation Dividers offers a unique look to presentation indexing. The styles available make achieving the appearance you want much easier.

ORGANISATION
Organisation dividers are perfect for more precise filing needs. These dividers make identifying specific files even easier. Being organised has never been so simple.

PACKAGE 3

Crystalfile®
THE ORIGINAL FILING SYSTEM

Crystalfile is Australia's No. 1 filing range providing the most extensive choice of filing options to suit any business requirement. Crystalfile filing products provide the flexibility for you to build a system to exactly fit your individual filing needs. Available in 4 colours complete with colour co-ordinated inserts and tabs which are fully customisable with free templates, available at www.acco.com.au

A Crystalfile Colours Suspension Files FC

Colour code your files for easy and quick retrieval. Rainbow of colours includes yellow, red, green and blue.
Nylon runners ensure smooth, quiet gliding of suspension files along metal bars (in your filing cabinet drawers). Labelling panel for easy file identification.
Pre-punched, ready for use with 70850 - Crystalfile File Fasteners. Holds up to 150 sheets of paper.
All files come complete with "Push Down" 'Indicator' Tabs and Inserts. Australian made from 100% recycled board and is 100% recyclable.

111201	Pack/25	Red with tabs and inserts
111202	Pack/25	Blue with tabs and inserts
111204	Pack/25	Yellow with tabs and inserts
112478	Pack/25	Rainbow pack with tabs & inserts

B Crystalfile Classic Suspension Files FC

The smooth, quiet, premium file for everyday use. Nylon runners ensure smooth, quiet gliding of suspension files along metal bars (in your filing cabinet drawers).
Labelling panel for easy file identification.
Pre-punched, ready for use with 70850 Crystalfile File Fasteners. Holds up to 150 sheets of paper.
'Complete' boxes come with "Push Down" 'Indicator' Tabs and Inserts (exludes 111190C).
Australian made from 100% recycled board and is 100% recyclable.

111130C	Box/50	Green complete w/tabs & inserts
111190C	Box/50	Green folders only
11210	Pack/20	Green complete w/tabs & inserts
111191	Pack/10	Green complete w/tabs & inserts

C Crystalfile Double Capacity FC

30mm square, reinforced base holds more than standard suspension files, allowing you to file everything in the one file. Ideal for those bulky filing jobs - brochures, bound documents, videos, catalogues etc.
Nylon runners ensure smooth, quiet gliding of suspension files along metal bars (in your filing cabinet drawers).
Labelling panel for easy file identification.
Pre-punched, ready for use with 70850 - Crystalfile File Fasteners. Holds up to 300 sheets of paper or 1kg content weight. Australian made from 100% recycled board and is 100% recyclable.

| 111250C | Box/50 | 30mm base |

D Crystalfile Topfile Linked Suspension Files FC

Designed to create a linked filing system.
Topfiles are linked, concertina filing system specifically designed for use in desk drawers, filing cabinets and trolleys. They provide easier access to your files and prevent accidental filing between pockets.
Files can be easily unlinked to allow an update of your filing system. Nylon runners ensure smooth, quiet gliding of suspension files along metal bars (in your filing cabinet drawers). Labelling panel for easy file identification.
Holds up to 150 sheets of paper. Boxes come complete with Topfile Tabs and Inserts.
Australian made from 100% recycled board and is 100% recyclable.

| 112610C | Box/50 | Green with tabs & inserts |

E Crystalfile Lateral Suspension Files A4

Maximum storage capacity to store more in less space. Allows side access in vertical filing cupboards and storage units. Lateralfile suspension files hold up to 150 sheets of paper. Nylon runners ensure smooth, quiet gliding of suspension files along metal bars. Boxes come with Lateralfile Tabs and Inserts. Australian made from 100% recycled board and is 100% recyclable.

| 113330C | Box/50 | Green with tabs & inserts |

Crystalfile®
THE ORIGINAL FILING SYSTEM

AUSTRALIAN MADE · RECYCLED
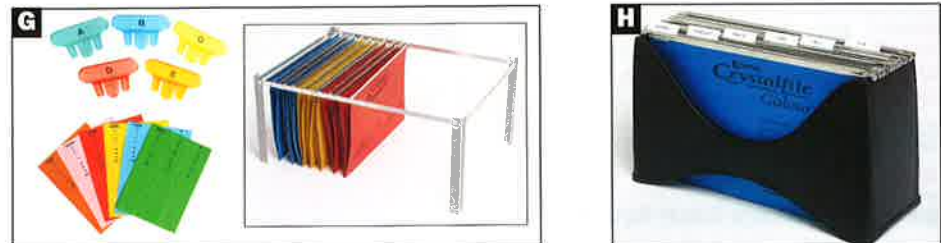

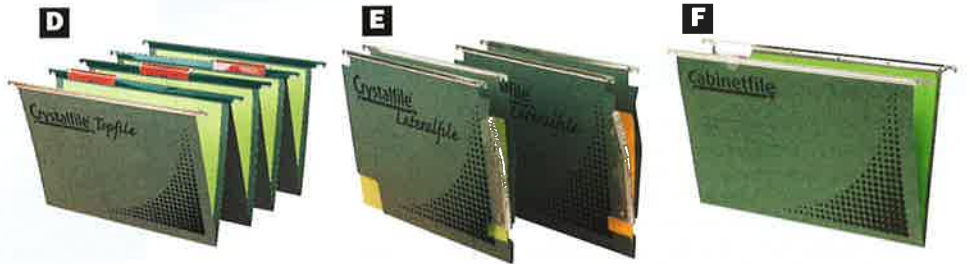

F Crystalfile Cabinetfile FC

The economical suspension file. Cabinetfiles do not include nylon runners. Labelling panel for easy file identification. Pre-punched, ready for use with 70850 Crystalfile File Fasteners. Holds up to 150 sheets of paper.

H Crystalfile Enviro Desk File

Sleek moulded design is lightweight and strong to hold up to 20 foolscap suspension files within reach on your desktop for quick and easy reference. Made from 100% post consumer recycled PP. Files not included.

| 8101502 | Each | Black |

I Crystalfile PP Extra Capacity Suspension Files

Extra tough, with an extra wide base for frequent use.
30mm square base holds more than standard suspension files, allowing you to file everything in the one file.
Ideal for those bulky filing jobs – brochures, bound documents, videos, catalogues etc.
Crystalfile Extra is made from polypropylene for strength and will not tear for longer lasting, durable files referred to frequently.
Nylon runners ensure smooth, quiet gliding of suspension files along metal bars (in your filing cabinet drawers).
Holds up to 300 sheets of paper.
Comes complete with tabs and inserts.
More than 10 times stronger than ordinary manilla suspension files.
Made from environmentally friendly PP and is 100% recyclable.
